### **FACTS:**

In January 2024, the Board of Aldermen passed Ordinance No. 2024-0018 requiring fingerprint-based state and federal background check for a security services permit on anyone providing security or guard services within the City.

Upon submitting the Ordinance to the Missouri Highway Partrol, the FBI reviewed the City of Branson definitions and requested clarifications be made to the definition of security service in order for the fingerprinting requirement to go into effect.

This item is a proposed amendment to the Branson Municipal Code to comply with the FBI's requested change.
