AMONG

The Missouri Department of Economic Development

AND

Elevate Branson

AND

the City of Branson, Missouri

FOR THE

Elevate Branson Affordable Housing Apartment Rehabilitation Project
in Branson, Missouri

THIS AGREEMENT for a Community Development Block Grant Disaster Recovery (“CDBG-DR”) Multifamily Housing Program Grant (the “Agreement”) is entered into on this ____ day of _____, 2024, by and among the Department of Economic Development (“DED” or the “Applicant”), an executive branch agency of the State of Missouri (the “State”), the City of Branson, Missouri (the “City” or “Sub Applicant”), and Elevate Branson (the “Developer”) (each a “Party” and all together the “Parties”). The Agreement includes the DED CDBG Funding Approval Form.

WHEREAS, DED administers the State’s CDBG-DR program (the “Program”), which consists of funds allocated by the U.S. Department of Housing and Urban Development (“HUD”) to the State for unmet housing, infrastructure, and economic needs resulting from the national disasters of 2017; and

WHEREAS, in order to provide needed housing, the State’s Action Plan for Disaster Recovery (DR-4317) as approved by HUD contemplates using State CDBG-DR funds to construct new affordable multifamily rental housing; and

WHEREAS, Developer has applied for a CDBG-DR award for the Elevate Branson Affordable Housing Apartment Rehabilitation Project in Branson, Missouri (the “Project”), as defined in the Project Plan (**Exhibit C**), attached, and in accordance with applicable notices, regulations, and guidance from HUD, and has included Sub Applicant as part of its development team for the Project; and

WHEREAS, DED wishes to engage the Developer to assist DED in using a portion of the CDBG-DR award in accordance with applicable notices, regulations, and guidance from HUD; and

WHEREAS, this agreement is fully contingent upon a successful grant award. Should the project not be selected for funding by the CDBG DR Program, all herein shall be considered null and void; and

WHEREAS, this Agreement must be renegotiated within ten days of notification by DED if the amount of funding by the CDBG-DR Program is reduced to reflect the difference.

NOW, THEREFORE, it is agreed among the Parties as follows:

I. SCOPE OF SERVICES

Sub Applicant and Developer will be responsible for carrying out CDBG-DR activities in a manner satisfactory to DED and consistent with all standards required as a condition of providing these funds. Program activities will include the following uses and corresponding activities eligible under CDBG-DR and as outlined in the Project Plan (**Exhibit C**) and incorporated herein by this reference:

A. Sub Applicant and Developer Responsibilities

1. Sub Applicant and Developer will carry out this Project in accordance with HUD policies, procedures, guidance, and other provisions provided to the Sub Applicant and Developer by Applicant, and incorporated herein by reference. Sub Applicant and Developer each hereby agree to accept and follow any written amendments to the Project by Applicant that are made as a direct result of additional guidance or regulations provided by HUD, as well as any written amendments that are mutually agreed upon by the Parties.
2. Sub Applicant and Developer are responsible for providing the deliverables that are outlined in the Project Development Costs and Pro Forma (**Exhibit D**) and the Project Master Schedule (**Exhibit E**), incorporated herein by this reference, within the time periods and for the approximate budget amounts described therein. The total use of CDBG-DR funds provided under this Agreement may not exceed the total amount of CDBG-DR funds indicated in Section III.A.
3. Sub Applicant's and Developer's expenditures for Project delivery will be limited as follows, unless changes to the limits are agreed to in writing by the Applicant and Developer for the Project:
 - a. Minimum number of units to be developed and operated under the program:
18

4. Sub Applicant and Developer each agree to adhere and comply to all CDBG-DR project compliance requirements, including but not limited to the following:

 - b. Complete the construction of the Project without exceeding the approved

Project Budget and Schedule, as outlined in the Project Development Costs and Pro Forma **(Exhibit D)** and Project Master Schedule **(Exhibit E)**.

- c. The Project property shall be used solely as an affordable housing complex and shall contain 5 or more affordable housing units at any time prior to the expiration of the minimum 15-year period following the completion date (the “Affordability Period”). Sub Applicant and Developer shall, at all times during the Affordability Period, maintain compliance with the requirements described in the **Terms and Conditions (Exhibit B)** at **Section II**.
- d. Ensure that the Project meets regulations set forth by the applicable county and municipal codes and ordinances in order to obtain a building permit or certificate of occupancy.
- e. Ensure that no Project contractors or subcontractors are debarred federally on SAM.gov or by the State Office of Administration (as of the Agreement date, available by accessing “Suspended/Debarred Vendors” at: <https://oa.mo.gov/purchasing#mini-panel-purchasing-tabs3>).
- f. Maintain all records and files related to the Project and submit them to DED as required.

 - i. The Deed Restriction shall be recorded by the Developer along with the Project property deed and shall include for the term of the Affordability Period both a covenant to use the Project property for low-income housing and a restriction against a sale or other conveyance of the Project property for any non-low-income housing use.
 - ii. If the Deed Restriction is violated with regard to a property sale or other conveyance during the Affordability Period, DED shall have the right to recapture from Sub Applicant and Developer a pro rata portion of the CDBG-DR funds provided for the Project and may exercise any other remedies available to it.
 - iii. A certified copy of the filed-stamped Deed Restriction shall be provided to DED within 30 days of the real estate closing of the Project property, or of the execution date of this Agreement, whichever is later.

- i. Rental units will follow decent, safe, and sanitary housing quality standard requirements. Unless a higher percentage of units are specified in **Section I.A.3** above, at least 51 percent of rental units will be “Low-Income Units,” rented to households with an adjusted gross income of 80 percent or less of the area median income. Rents will be restricted on Low-Income Units so that the gross rent to be charged for a Low-Income Unit will not exceed 30 percent of the income limitation applicable to such unit, adjusted for unit size. Developer will adhere to income limits as published by HUD on an annual basis.
 - j. Throughout the Affordability Period, the rental for each unit in the Project must not exceed the Fair Market Rents (“Fair Market Rents”), as determined by HUD, and required by 42 U.S.C. § 1437f to be posted at least 30 days before they are effective and to be effective at the start of the federal fiscal year, which is generally October 1 (currently available at <https://www.huduser.gov/portal/datasets/fmr.html>).
5. Additional developer responsibilities include the following:
- 1) The Developer shall purchase and maintain performance bonds as prescribed in the amount of 100% of the amount in Exhibit D, table on page 1, titled Private Financing/Match. In lieu of performance bonds, the Developer may provide an irrevocable letter of credit in a form and amount reasonably acceptable to Sub Applicant. This bond or irrevocable letter of credit is due within 10 days of award of grant.
 - 2) The Developer shall contract directly with its contractor, incorporating all applicable local, DED, and Federal requirements. The Developer shall also ensure that the contractor enters into written agreements with each subcontractor who does work for the project. These subcontracts must incorporate all Developer requirements, and shall be subject to review, upon request, by DED.
 - 3) The Developer must actively manage the construction process including scheduled inspections, approval of draws, approval of change orders prior to execution, and close out.
 - 4) The Developer must ensure cost verification is conducted. Cost verification is required and shall include profit, overhead, and general conditions. Change orders must also be accompanied by cost verification. Cost verifications are typically provided by 3rd party architects or cost estimators.
 - 5) The Developer shall ensure quality construction and cost reasonableness.
 - 6) The Developer shall ensure that prior to executing contracts with contractors and subcontractors, no project contractors or subcontractors

are debarred federally on SAM.gov or by the State Office of Administration. Screenshots with a date verification will need to be included in the project file or can be included as part of a signed contract.

- 7) The Developer shall issue the formal Notice to Proceed to the Contractor at the appropriate time.
- 8) Each individual contract will specify a construction schedule with progress inspections included. The contractor will notify the developer when they have reached the scheduled milestones. The developer will provide a projection of expenditures and milestones to DED. DED compliance specialists will compare expenditures and milestones against the Request For Funds (RFF) and will request updates if any differences arise.
- 9) The Developer shall schedule all inspections, including interim and post-construction inspections, and invite DED to attend.
- 10) DED may conduct monthly project site visits as part of compliance and Request for Funds (RFF)/payment draw process.
- 11) The Developer must complete and submit a comprehensive Section 3 Plan, signed by the Developer and the Contractor, to the Section 3 Administrator and Compliance Specialist for review and approval. The Section 3 Plan will include the Section 3 goals of the Developer and the Contractor.
- 12) The Developer must ensure the appropriate Wage Determination is used, when applicable.
- 13) For contracts resulting from sealed bidding, the effective date for Davis-Bacon Act (DBA) Wage Determination Modifications is no less than 10 days prior to bid opening. In addition, if a contract to which a general wage determination has been applied is not awarded within 90 days after bid opening, any modification published prior to contract award is effective unless an extension is obtained from DED. Modifications published less than 10 days before bid opening are not applicable if there is not sufficient time to notify bidders. Project Wage Determinations are locked-in on the date the contract is executed.
- 14) All contracts and agreements must contain language regarding cross-cutting issues which include, but are not limited to, equal opportunity, civil rights, fair housing, disability rights, Section 3, wage requirements, and general conditions. In addition, contracts should include a certificate of owner's attorney, required levels of insurance, architects/engineers' authority, period of service, scope of service, and completion time.
 - a. All services and activities paid for with CDBG funds require the

execution of a formal contract. All contracts at minimum must detail: scope of work, total cost, duration of the contract, compliance requirements, and reporting responsibilities.

6. Contractor Responsibilities

- a. Developers do not need to procure their contractors; however, developers must still demonstrate that costs are reasonable and that developer staff and/or their subcontractors are employing cost reasonableness principles.
- b. Contractor responsibilities include, but are not limited to:
 - i. The Contractor selected for the project will obtain all local and state permits in order to execute the project.
 - ii. The Contractor will ensure that all construction complies with local building and occupancy codes as applicable, the provisions of CDBG's Chapter 20 of the Administrative Manual, and any other appropriate federal, state, or local code requirements.

 - v. The General Contractor will purchase and maintain appropriate insurance policies and present bid, performance, and payment bonds as prescribed. For all contracts exceeding \$100,000 a bid bond of 5% of the contract award and performance and payment bonds in the amount of 100% of the contract award are required. In lieu of performance and payment bonds, a contractor may provide an irrevocable letter of credit in a form and amount reasonably acceptable to DED and Sub Applicant. Subcontractors will not be required to furnish bonds.
 - vi. The Contractor will adhere to the following Wage Requirements: 1) Wage Amounts: All developments of buildings that are four or fewer stories will be required to comply with the "Residential" wage class determinations. All developments that have buildings with five or more stories must comply with the "Building" wage class determinations. 2) Wage Classifications: Each labor classification (laborers and mechanics) has a wage determination list that contains a basic hourly wage rate and fringe benefit rates that have been determined to be prevailing for the same type of construction activities within the county covered by said wage determination. The classification is determined based on the type of work being performed by the laborer

during the pay period.

- vii. The Contractor will adhere to the provisions of CDBG's Chapter 20 of the Administrative Manual to follow the appropriate procedures for Change Orders and Emergency Change Orders.

Terms and Conditions

Capitalized words and phrases in these Terms and Conditions have the same meaning as in the main body of the Agreement to which it is attached. Capitalized words and phrases in the main body of the Agreement have the same meaning as in these Terms and Conditions.

I. GENERAL CONDITIONS

A. General Compliance

1. Sub Applicant and Developer each acknowledge their responsibility for adherence to all applicable terms and conditions of this Agreement by Sub Applicant and Developer entities and contractors.
2. All statements and representations by Sub Applicant and Developer in the application process for CDBG-DR funds, this Agreement, or in any other writing delivered in connection with the performance of this Agreement, shall survive the execution and delivery thereof and shall be continuing representations unless and until revised by the Party making such statement or representation in a writing delivered to DED.
3. All participants in the CDBG-DR Program must have a data universal numbering system number ("DUNS Number").
4. The DUNS Number must be reported to the Program for use in various grant reporting documents, and may be obtained by visiting the HUD website (at the time of this Agreement, DUNS information is available at: https://www.hud.gov/program_offices/administration/grants/duns).
5. Sub Applicant and Developer shall use funds available under this Agreement to supplement rather than supplant funds otherwise available.
6. Missouri law requires a grant recipient to identify its parent company.
 - a. Sub Applicant does not have a parent company.
 - b. Developer does not have a parent company.

B. Prevailing Wage Rates

DED will monitor the Project to ensure that Sub Applicant and Developer each meet the compliance obligation with the Davis-Bacon Act (40 U.S.C. §§ 276a, *et seq.*) and Related Acts and pay prevailing wage to any person performing construction labor on the Project site. Certified payrolls must be submitted weekly to DED, using form WH-347 or its equivalent with supporting documentation, from the time construction commences until Project completion.

C. Independent Contractor

Nothing in this Agreement is intended to create or establish, or shall be construed in any manner as creating or establishing, the relationship of employer/employee between or among the Parties. Sub Applicant and Developer each shall at all times remain an independent contractor with respect to the services to be performed under this Agreement. DED shall be exempt from payment of all unemployment compensation, FICA, retirement, life and medical insurance, and workers' compensation insurance, as Sub Applicant and Developer are independent contractors.

D. Workers' Compensation

Sub Applicant and Developer each shall provide workers' compensation insurance coverage for all of their respective employees involved in the performance of this Agreement to the extent required by law, and their employees shall not be covered by the workers' compensation program established by the State for its employees.

E. Insurance and Bonding

1. Without limiting any of the other obligations or liabilities of Developer, Developer will secure and maintain at its own cost and expense, throughout the duration of this Agreement and until the work is completed and accepted by DED, insurance of such types and in such amounts as may be necessary to protect Developer and the interests of DED and Sub Applicant against all hazards or risks of loss as specified in this Agreement or which may arise out of the performance of the Agreement, including Sub Applicant's performance.
2. The form and limits of such insurance, together with the underwriter thereof in each policy or endorsement, are subject to DED approval prior to start of Project construction. Regardless of such approval, it is the responsibility of Developer to maintain adequate insurance coverage at all times during the term of the Agreement. Failure of Developer to insure, or Developer's under-insurance, shall not relieve it of any contractual responsibility or obligation or liability in general or under the Agreement.
3. Developer's required certificates of insurance, including evidence of the required endorsements or the policies, shall be received by DED and Sub Applicant prior to the Developer's start of work on the Project site.
4. Such insurance policies shall name DED and Sub Applicant as an additional insured, with limits of liability not less than the sovereign immunity limits for Missouri public entities calculated by the Missouri Department of Commerce and Insurance, as of January 1 each calendar year and published annually in the Missouri Register pursuant to § 537.610 RSMo

(see, <http://insurance.mo.gov/industry/sovimmunity.php>).

5. All such insurance policies shall require that the insurer provide 30 days' written notice prior to modification or cancellation of such insurance and that, in the event Developer fails to pay any premium on such policy when due, the insurance company will notify DED of such past-due payment status.
6. In addition to the other requirements in this **Section I.E**, Developer shall purchase and maintain such insurance as will protect it from all of the following claims which may arise out of, or result from, Developer's execution of the work for the Project, whether such work be by Developer, a subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable:
 - a. Claims under workers' compensation, disability benefit, and other similar employee benefit acts;
 - b. Claims for damages because of bodily injury, occupational sickness or disease, or death of an employee;
 - c. Claims for damages because of bodily injury, sickness or disease, or death of any person other than employees;

 - e. Claims for damages because of injury to or destruction of tangible property, including loss of use resulting therefrom.
7. Developer may utilize the services of specialty subcontractors on those parts of the work, which, under normal contracting practices, are performed, by specialty subcontractors. In case any or all of this work is subcontracted, Developer shall require the subcontractor to procure and maintain all insurance required and shall require any and all subcontractors with whom it enters into a contract to perform work on the Project to protect DED and Sub Applicant through insurance against applicable hazards or risks and shall, upon request of DED or Sub Applicant, provide evidence of such insurance.
 - a. Developer shall be fully responsible to DED and Sub Applicant for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by them, as the Developer is for the acts and omissions of persons directly employed by it.
 - b. Sub Applicant and Developer shall insert in any subcontracts the federal labor

standards provisions contained in these Terms and Conditions and such other clauses as HUD may require, and also a clause requiring its subcontractors to include these clauses in any lower tier subcontracts which they may enter into, together with a clause requiring this insertion in any further subcontracts that may in turn be made.

- c. In the event the scope or extent of DED's and Sub Applicant's tort liability as a governmental entity as described in §§ 537.600 through 537.650 RSMo is broadened or increased during the term of this Agreement by legislative or judicial action, DED and/or Sub Applicant may require Developer, upon 10 days' written notice, to execute a contract addendum whereby Developer agrees to provide, at a price not exceeding Developer's actual increased premium cost, additional liability insurance coverage as DED and/or Sub Applicant may require to protect DED and Sub Applicant from increased tort liability exposure as the result of such legislative or judicial action. Any such additional insurance coverage shall be evidenced by an appropriate certificate of insurance and shall take effect within the time set forth in the addendum, or within 20 days following the written notice provided by DED and/or Sub Applicant in this **Section I.E.7**, whichever is earlier.
8. The Developer shall purchase and maintain performance bonds as prescribed in the amount of 100% of the amount in Exhibit D, table at bottom of page 1, titled Private Financing/Match. In lieu of performance bonds, the Developer may provide an irrevocable letter of credit in a form and amount reasonably acceptable to Sub Applicant. This bond or irrevocable letter of credit is due within 10 days of award of grant.
9. Developer shall, within five days following execution of Construction contract agreements, require Contractor to furnish a performance security deposit in the form of an original bond or an irrevocable letter of credit (no copy or facsimile is acceptable) issued by a surety company authorized to do business in the State of Missouri and named on the current list of "Surety Companies Acceptable on Federal Bonds" as published in the U.S. Department of the Treasury Circular Number 570, cash, a bank draft, or an irrevocable letter of credit to the Missouri Department of Economic Development (any and each of the foregoing options a "Performance Security Deposit").
 - a. Such Performance Security Deposit or an irrevocable letter of credit shall be in an amount at least equal to 100 percent of the Construction contract agreement amount, conditioned upon the performance by the Developer and Contractor of all undertakings, covenants, terms, conditions, and agreements of the Agreement, and upon the prompt payment by Sub Applicant and Developer to all persons supplying labor and materials in the performance of the work provided by the Agreement. The Performance Security Deposit shall be in effect through the completion date in the Agreement at **Section II.A.1.**
 - b. The Project name and number must be specified on such Performance Security

Deposit.

- c. The Construction Contractor shall bear the expense of the Performance Security Deposit. In the event the Performance Security Deposit is in the form of a bond:
 - i. If at any time a surety on any such bond is declared a bankrupt or loses its right to do business in the state of Missouri or is removed from the referenced list of surety companies accepted on federal bonds, Developer shall, within 10 days after notice from DED to do so, substitute an acceptable bond (or bonds) in such form and sum and signed by such other surety or sureties as may be satisfactory to DED. No further payment to Sub Applicant or Developer shall be deemed due nor shall be made until the new surety or sureties shall have furnished an acceptable bond to DED. The premiums on such bond(s) shall be paid by the Contractor.

The bond(s) shall include the following language:

“It is expressly understood and agreed that in the event said principal defaults,, the Missouri Department of Economic Development may enforce this bond; and said surety, its successors and assigns, shall, within 30 days of receipt of a written demand after principal’s nonperformance, pay to the Missouri Department of Economic Development the full penal sum of this bond as specified by the Department.”

- d. In the event this Agreement is amended to extend its term for any additional period, Developer shall, at its sole expense, maintain the validity and enforcement of the Performance Security Deposit for such extended term.

F. Suspension, Termination, Non-compliance, and Repayment

- 1. HUD or DED may terminate this Agreement in whole or in part if the Project no longer effectuates the Program goals, or HUD’s or DED’s priorities.
- 2. HUD or DED may terminate this Agreement in whole or in part with the consent of Sub Applicant, in which case the terminating Party and Sub Applicant must agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.
- 3. This Agreement may also be terminated by Sub Applicant, in whole or in part, by setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, HUD or DED determines that the remaining portion of the award under this Agreement will not accomplish the purposes of the Project, HUD or DED may terminate the Agreement in its entirety.

4. HUD or DED may suspend or terminate this Agreement if Sub Applicant or Developer materially fails to comply with any term of this Agreement, which includes but is not limited to noncompliance as follows:
 - a. Failure to comply with any of the statutes, regulations, ordinances, or provisions referred to in this Agreement, or such stated and federal statutes, regulations, executive orders, and HUD and Program policies or directives as may become applicable at any time;
 - b. Failure, for any reason, of Sub Applicant or Developer to fulfill in a timely and proper manner their respective obligations under this Agreement;
 - c. Ineffective or improper use of funds provided under this Agreement; and

Submission of reports to DED that are incorrect or incomplete in any material respect.

5. Whenever it is determined by HUD or DED to terminate this Agreement because Sub Applicant or Developer has materially failed to comply with the Agreement, the determining Party DED shall notify Sub Applicant and Developer in writing of the determination and the reasons for the termination, together with the effective date.
 - a. DED shall provide notice to a non-compliant Party and provide a copy of such notice to any other Party.
 - b. DED shall give a non-compliant Party 30 days' notice to come into compliance with the Agreement. If the non-compliant Party does not come into compliance during that time, the termination of this Agreement, in whole or in part as DED determines in its sole discretion, will take effect within 10 days from the compliance deadline.
 - c. The non-compliant Party shall perform any remedial actions determined appropriate by DED to correct the failure to comply, which actions may include, but are not limited to:
 - i. The repayment or reimbursement to DED of inappropriately used CDBG-DR funds;
 - ii. The return of any equipment, real property, materials, or supplies purchased or leased using CDBG-DR funds and repayment or reimbursement in full to DED; and
 - iii. Any other actions DED deems appropriate.

6. In the event that Sub Applicant or Developer uses Program funds for any other purpose beyond the Project or fails to comply with any requirement established by the Program or by this Agreement; does not timely remedy such non-compliance upon notice from DED; and does not timely meet any repayment obligations, with such timeliness to be determined by DED in its sole discretion; then Sub Applicant and Developer shall be jointly and severally liable to return any remaining Program funds for the Project to DED and to repay DED for all Program funds provided for the Project as of the repayment date.
7. The State and DED reserve all remedies available to them at law and at equity, and any remedies expressly provided for in this Agreement are in addition to, and not in lieu of, any other remedies that may be available to either of them.
8. It shall be the Sub Applicant's and Developer's respective duties to take any and all legal efforts to cancel any Project obligations outstanding upon termination of the Agreement.
9. Following termination in whole or in part, DED, Sub Applicant, and Developer shall remain responsible for compliance with the closeout requirements in 2 CFR 200.343 and the post-closeout adjustments and continuing responsibilities in 2 CFR 200.344.

G. Indemnification

Sub Applicant and Developer shall hold harmless, defend, and indemnify the Applicant from any and all claims, actions, suits, charges, and judgments whatsoever that arise out of the Sub Applicant's and Developer's performance or nonperformance of the services or subject matter called for in this Agreement, except for claims, actions, suits, charges, and judgments arising from the Applicant's performance or nonperformance of its duties and obligations called for in this Agreement. Nothing in this Agreement shall be construed as a waiver in whole or in part of the State's or DED's sovereign immunity or their employees' official immunity.

H. Choice of Law, Jurisdiction, and Venue

1. This Agreement shall be governed by and construed in accordance with the laws of the State of Missouri.
2. Sub Applicant and Developer each agree irrevocably, generally, and unconditionally, consent to be subject to the exclusive jurisdiction of the courts of the State of Missouri in Cole County, Missouri, or of the U.S. District Court for the Western District of Missouri, as selected by DED, in any action or proceeding with respect to this Agreement.
3. Sub Applicant and Developer each acknowledge and agree that any rights or claims against DED or its employees relating to this Agreement, and any remedies arising

therefrom, shall be subject to and limited to those rights and remedies allowable at law, if any, and subject to sovereign and official immunity. Sub Applicant and Developer each hereby waive their rights to pursue any equitable remedies related to this Agreement.

4. Sub Applicant and Developer each irrevocably consent to the service of process directed by any of the aforementioned courts and in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to their respective addresses for notices set forth in the Agreement at **Section V**, such service to become effective 10 days after such mailing. Nothing herein shall affect the right of DED to effect service of process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against Sub Applicant or Developer, or any of their respective property in any other jurisdiction, and Sub Applicant and Developer each hereby expressly and irrevocably waive, to the fullest extent permitted by law, any objection which they respectively may now or hereafter have to the jurisdiction or laying of venue of any such litigation brought in any such court referred to in this **Section I.H** and any claim that any such litigation has been brought in an inconvenient forum.

II. ADMINISTRATIVE REQUIREMENTS

A. Financial Management

1. Sub Applicant and Developer agree to comply with 2 CFR Part 200 for non-Federal entities and agree to adhere to the accounting principles and procedures required therein, use adequate internal controls, and maintain necessary source documentation for all costs incurred.

Such data shall include, but not be limited to, client name, address, income level, or other basis for determining eligibility, and description of service or benefit provided. Such information shall be made available upon request to DED monitors and their designees for review.
2. Sub Applicant and Developer shall maintain all records required by federal regulations including as specified in 24 CFR 570.506. Such records shall include but not be limited to:

3. Sub Applicant and Developer shall retain all financial records, supporting documents, statistical records, and all other records pertinent to the Agreement for a period of five years past the Affordability Period. Notwithstanding the preceding sentence, if there are claims, audits, negotiations, litigation, or other actions that involve any such records and that start before the expiration of the proscribed retention period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the retention period, whichever occurs later.
 4. Sub Applicant and Developer understand that client information collected under this Agreement is private, and the use or disclosure of such information, when not directly connected with the administration of DED's, Sub Applicant's, or Developer's responsibilities with respect to the Project, this Agreement, or the Program, is prohibited by law unless written consent is obtained from such person receiving service and, in the case of a minor, that of a responsible parent or guardian.
 5. All Sub Applicant and Developer records with respect to any matters covered by this Agreement shall be made available to HUD, the Comptroller General of the United States, the State Auditor's Office, DED, or any of their authorized representatives, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data.
 - a. Any deficiencies noted in an audit report must be fully cleared by Sub Applicant and Developer, respectively, within 30 days after receipt of the

audit. Failure of Sub Applicant or Developer to comply with applicable audit requirements will constitute a violation of this Agreement and may result in the withholding of future payments or termination of this agreement.

In addition to future withholding, Sub Applicant and Developer each understand and agree that they shall be liable to the Program for any costs disallowed pursuant to any financial and/or compliance audit of funds received under this Agreement and that such reimbursement of disallowed costs shall be paid from funds that were not provided or otherwise made available under this Agreement or from a federal, state, or local funding source.

- b. Developer hereby agrees to have an annual agency audit, or a single audit, conducted in accordance with current DED policy concerning Developer audits and OMB Circular A-133.

C. Reporting and Payment Procedures

1. Developer cannot charge direct or indirect costs of its staff. Developer will be reimbursed for internal costs through a developer fee approved as part of the Project and to be incorporated into the Project Development Costs and Pro Forma.
2. Sub Applicant and any other subrecipient may not earn a developer's fee.
3. DED will pay to Sub Applicant CDBG-DR funds available under this Agreement for Sub Applicant and Developer based upon information submitted by Sub Applicant or Developer and consistent with any approved budget and HUD and DED policy concerning payments.
4. Sub Applicant is responsible for the fiscal administration of CDBG-DR funds for the Project, including disbursement to Developer, in accordance with applicable law, the Program policy, HUD guidelines, and the terms of this Agreement. Payments will be made for eligible Project expenses actually incurred by Developer and will not exceed actual cash requirements. In addition, DED reserves the right to liquidate funds available under this Agreement for costs incurred by DED on behalf of Sub Applicant or Developer.
5. HUD, through the Disaster Recovery Grant Reporting, or DRGR, system, generally provides access to grant funds within three business days, or days that are not weekends or holidays, of an electronically submitted request by DED. To ensure expeditious implementation of activities, DED agrees to draw funds from the allocation and make payment to Sub Applicant on behalf of Developer within 10 business days of receipt of Developer's complete and properly submitted requests for payment for the Project under this Agreement, if feasible. Sub Applicant and Developer agree to submit requests for payment in a timely manner in the form and

at the times directed by DED.

D. Use of and Reversion of Assets

1. The use and disposition of real property and equipment under this Agreement shall be in compliance with the requirements of 24 CFR Part 200 and 24 CFR 570.503, 570.504, and 570.505, as applicable, which include but are not limited to the following:
 - a. Sub Applicant and Developer shall transfer to DED any CDBG-DR funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination, unless otherwise specified in the HUD closeout agreement with DED.
 - b. Real property under Sub Applicant's or Developer's control that was acquired or improved, in whole or in part, with funds under this Agreement shall be used in accordance with the CDBG-DR requirements for the Affordability Period and consistent with the affordability requirements. If Sub Applicant or Developer fails to use CDBG-DR-assisted real property in the Project in a manner that meets CDBG-DR affordability requirements within and for the prescribed period of time, Sub Applicant and Developer shall comply with the applicable sections under 24 CFR 570.503, 570.504, and 570.505.
 - c. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be Program Income, as defined below in **Section E**, prorated to reflect the extent to which funds received under this Agreement were used to acquire the equipment.
 - d. Equipment not needed by Sub Applicant or Developer for activities under this Agreement shall be either transferred to DED for the CDBG-DR program, or retained after compensating DED an amount equal to the current fair market value of the equipment less the percentage of non-CDBG-DR funds used to acquire the equipment.

E. Program Income

1. As defined in 24 CFR 570.500, program income ("Program Income") means "gross income received by the recipient [i.e., the Sub Applicant in this Agreement], or a subrecipient directly generated from the use of CDBG funds."
2. Program Income includes, but is not limited to, the following:
 - a. Proceeds from the disposition by sale or long-term lease of real property purchased or improved with CDBG funds;

- b. Proceeds from the disposition of equipment purchased with CDBG funds;
 - c. Gross income from the use or rental of real or personal property acquired by the Sub Applicant or by a subrecipient with CDBG funds, less costs incidental to generation of the income (i.e., net income);
 - d. Net income from the use or rental of real property owned by the Sub Applicant or by a subrecipient, that was constructed or improved with CDBG funds;
 - e. Payments of principal and interest on loans made using CDBG funds;
 - f. Proceeds from the sale of loans made with CDBG funds;
 - g. Proceeds from the sale of obligations secured by loans made with CDBG funds;
 - h. Interest earned on such income pending its disposition; and
 - i. Funds collected through special assessments made against properties owned and occupied by households not of low and moderate income, when the assessments are used to recover all or part of the CDBG portion of a public improvement.
3. Program Income does not include:
- a. Any income received in a single program year by the Sub Applicant and any subrecipient if the total amount of such income does not exceed \$25,000; and
 - b. Amounts generated by activities that are financed by a loan guaranteed under Section 108 of the Housing and Community Development Act of 1974 ("Section 108") and meet one or more of the public benefit criteria specified at 24 CFR 570.209(b)(2)(v) or are carried out in conjunction with a grant under Section 108(q) in an area determined by HUD to meet the eligibility requirements for designation as an Urban Empowerment Zone pursuant to 24 CFR 597, Subpart B. Such exclusion shall not apply if CDBG funds are used to repay the guaranteed loan.
 - c. When such a guaranteed loan is partially repaid with CDBG funds, the amount generated shall be prorated to reflect the percentage of CDBG funds used.
 - d. Amounts generated by activities financed with loans guaranteed under Section 108 which are not defined as Program Income shall be treated as miscellaneous revenue and shall not be subject to any of the requirements of this part, except that the use of such funds shall be limited to activities that are located in a revitalization strategy area and implement a HUD approved area revitalization strategy pursuant to 24 CFR 91.215(e). However, such treatment shall not affect

the right of the Secretary of Housing and Urban Development to require the Section 108 borrower to pledge such amounts as security for the guaranteed loan. The determination whether such amounts shall constitute Program Income shall be governed by the provisions of the contract required by 24 CFR 570.705(b)(1).

4. DED will allow Sub Applicant to retain income for the following activities:
 - a. Offsetting operational and maintenance expenses that are incidental to the generation of the income;
 - i. Operational expenses include the salary of staff for the oversight and operation of the CDBG-DR funded facility, utilities, insurance, property taxes, security, maintenance, and marketing.

 - b. Funding expansions to existing approved, eligible activities; and
 - c. Escrowing net operating cash flow.
5. Individual maintenance expenses in excess of \$15,000 shall be reviewed and approved by DED prior to using Program Income to cover the expense and shall be included in Developer's property management and maintenance schedule.
6. When Program Income is to be retained by Sub Applicant and used for the activities listed in **Section II.E.4** of these Terms and Conditions, all provisions of the Agreement shall apply to such specified activities. Substantially all other Program Income shall be disbursed for eligible activities before DED will disburse additional payments to Sub Applicant.
7. When Sub Applicant intends to use Program Income to fund a new, eligible activity, DED must review and approve the proposed activity and determine appropriate next steps, such as whether the Program Income needs to be remitted, transferred to the Program, and then reallocated for the activities via a new or amended Project agreement.
8. Upon expiration of this Agreement:
 - a. Any Program Income attributable to the use of the CDBG funds on hand at that time, or received after the Agreement's expiration, may be retained by Sub Applicant or Developer and used for the eligible activities described in **Section II.E.4** of these Terms and Conditions; and
 - b. Sub Applicant shall transfer to DED within 30 days any CDBG funds on hand

and any accounts receivable attributable to the use of CDBG funds; and

- c. Any real property under Sub Applicant's control that was part of the Project or was acquired or improved in whole or in part with CDBG funds in excess of \$25,000 shall be either:
 - i. In use to meet one of the national objectives in 24 CFR 570.208 until the expiration of the Agreement; or
 - ii. If not used as such through the expiration of the Agreement, Sub Applicant shall be liable to pay to DED an amount equal to the current market value of the Project property less any portion of the value attributable to expenditures of non-CDBG funds for the acquisition of, or improvement to, the Project property. Such payment shall be Program Income to the Sub Applicant.
9. If Sub Applicant receives Program Income that will not be used for any eligible activities described in **Section II.E.4** in these Terms and Conditions or for another new, eligible activity approved by DED, Sub Applicant is required to remit such Program Income back to DED annually.
10. Sub Applicant is required to report all Program Income to DED quarterly in a method prescribed by DED.
11. Sub Applicant will report Program Income for 15 years during the Affordability Period.
12. Sub Applicant must also follow the Program Income provisions as defined in 24 CFR 570.502, 24 CFR 570.503, and 24 CFR 570.504, which govern the use of CDBG-DR funds.
 - a. Sub Applicant shall maintain inventory records of all non-expendable personal property purchased with Program funds. All unexpended program assets (including unexpended Program Income, property, equipment, etc.) shall revert to DED upon termination of this Agreement.
 - b. Sub Applicant shall obtain written approval from DED for any costs for travel outside the area served with funds provided under this Agreement.
13. Sub Applicant shall impose on any contractors and subcontractors the obligations under this Agreement, specifically or by reference, so that such obligations will be binding upon each of its contractors and subcontractors. CDBG funds may not be provided to excluded or disqualified persons. Sub Applicant shall maintain oversight of all activities under this Agreement and shall ensure that for any procured contract or agreement, its contractors and subcontractors perform according to the terms

and conditions of the procured contracts or agreements, and the terms and conditions of this Agreement.

F. Procurement Compliance

1. Sub Applicant and Developer shall comply with current Program policy concerning the purchase of equipment, materials, and services. Sub Applicant and Developer shall maintain inventory records of all non-expendable personal property as defined by such policy as may be procured with funds provided pursuant to this Agreement. All unexpended Program assets (including unexpended Program Income, property, equipment, etc.) shall revert to DED upon termination of this Agreement.
2. Unless specified otherwise within this Agreement, Sub Applicant and Developer shall procure all materials, property, and services in accordance with the requirements of 2 CFR 200.318.

G. Real property acquisition

1. To the extent applicable to the Project, Sub Applicant and Developer shall comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, with respect to the Project.
2. To the extent applicable to the Project, Sub Applicant and Developer each agree to comply with the Recovery Act (Public Law 115-123) provisions concerning tenant protections applicable to CDBG-DR acquisitions of foreclosed property. Sub Applicant and Developer each must document their respective efforts to ensure that the initial successor in interest ("ISII") in a foreclosed upon dwelling or residential real property (typically, the ISII in property acquired through foreclosure is the lender or trustee for holders of obligations secured by mortgage liens) has provided bona fide tenants with the notice and other protections outlined in the Recovery Act (Public Law 115-123).
3. Sub Applicant and Developer will not use CDBG-DR funds to finance the acquisition of property from any ISII that failed to comply with applicable requirements unless Sub Applicant or Developer assumes the obligations of such ISII with respect to bona fide tenants. If Sub Applicant or Developer elects to assume such obligations, it may only do so if the tenant is still occupying the property and will provide any tenant displaced as a result of the CDBG-DR funded acquisition with the assistance outlined in 24 CFR 570.606.
4. If Sub Applicant or Developer knows that the ISII did not comply with the CDBG-DR tenant protection requirements and vacated the property contrary to the CDBG-DR requirements, CDBG-DR funds cannot be used to acquire such property.

III. PERSONNEL AND PARTICIPANT CONDITIONS

1. Sub Applicant and Developer each agree to comply with applicable state and local civilrights ordinances and with Title VI of the Civil Rights Act of 1964 as amended, Title VIII of the Civil Rights Act of 1968 as amended, section 104(b) and section 109 of Title I of the Housing and Community Development Act of 1974 as amended (the "HCDA"), section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, Executive Order 11063, and Executive Order 11246 as amended by Executive Orders 11375, 11478, 12107, and 12086.

3. Sub Applicant and Developer each agree to comply with all federal regulations issued pursuant to section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), which prohibits discrimination against individuals with disabilities or handicaps in any federally assisted program.

B. Affirmative Action, Unauthorized Employment, and Subcontractor Provisions

1. Sub Applicant and Developer each agree that it shall be committed to carry out, pursuant to DED's specifications, an Affirmative Action Program in keeping with the principles as provided in President's Executive Order 11246 of September 24, 1966. Developer shall submit a plan for an Affirmative Action Program for approval prior to the award of funds.
2. Sub Applicant and Developer each will use its best efforts to afford small businesses, minority business enterprises, and women's business enterprises the maximum practicable opportunity to participate in the performance of this Agreement.
 - a. As used in this Agreement, the term "small business" means a business that meets the criteria set forth in section 3(a) of the Small Business Act, as amended (15 U.S.C. § 632), and "minority and women's business enterprise" means a business at least 51 percent owned and controlled by minority group members or women.
 - b. Sub Applicant and Developer may rely on written representations by businesses

regarding their status as minority and women-owned business enterprises in lieu of an independent investigation.

 - i. Recruiting prospective employees through the State’s job bank website, managed by the Missouri Department of Higher Education and Workforce Development;
 - ii. Keeping specific records of efforts, including records of all individuals interviewed and hired, including the specific numbers of minorities and women; and

- 3. Sub Applicant and Developer each shall furnish and cause each of their respective subcontractors to furnish all information and reports required pursuant to this Agreement and shall permit access to their books, records, and accounts by HUD, the Comptroller General of the United States, the State Auditor’s Office, DED, or any of their authorized representatives, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data for purposes of investigation to ascertain compliance with the rules, regulations, and provisions as stated in this Agreement.
- 4. During the performance of this Agreement, Subcontractor and Developer each agree as follows:
 - a. Sub Applicant and Developer will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. - c. Sub Applicant and Developer will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with Sub Applicant's or Developer's legal duty to furnish information.
- d. Sub Applicant and Developer will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the U.S. Secretary of Labor.
- e. Sub Applicant and Developer will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the U.S. Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by HUD, the U.S. Secretary of Labor, and DED for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- f. In the event of Sub Applicant's or Developer's noncompliance with the non-discrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and Sub Applicant and/or Developer may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the U.S. Secretary of Labor, or as otherwise provided by law.
