### **FACTS:**

It is my privilege to announce that the City of Branson's "You've Been Caught" citizen recognition award for May 2022, is going to Dylan Pratt.

This award is to positively recognize Branson citizens and community members whose actions exemplify the City of Branson values and who make our community a great place to live, work, and play.

Dylan was nominated for his commitment to our community through volunteering, which is one of the City of Branson's core values. He is a shining example of someone who gives back to our community through his time and talent. Dylan is always the first to volunteer for any event at the Historic Owen Theatre, including acting in shows or serving as an usher. In addition to his work volunteering with the Arts Council, Dylan also serves our community through his work with Elevate Branson's Coffee Creations. There, Dylan and other adults with special needs learn new skills, which is a wonderful way to represent our community.

On behalf of the Mayor, Board of Aldermen, City Administrator, and City staff, it is my honor to announce Dylan Pratt as the City of Branson's "You've Been Caught" citizen recognition award.

Congratulations and keep making Branson proud.
