### **FACTS:**

On behalf of the Mayor, Board of Aldermen, City Administrator, and City staff, it is my honor to announce Finance Office Assistant, Julie Anderson, as the City of Branson's March 2023 "Service and Excellence" Employee of the Month.

This award recognizes employees who have gone above and beyond, and whose performance exemplifies the City of Branson's values.

Julie was nominated for pulling double duty and taking on extra work when filling a temporarily vacant position. She is the definition of the City's value of "teamwork and cooperation" and didn't think twice when asked to help. Not only did she take on extra responsibilities but is also helping to train the new employees and does so with a great attitude.

Congratulations and keep up the good work!
