#### **FACTS:**

The Fire Department was approved for \$55,000 for the purchase of the Division Chief of Operations vehicle to replace a 2010 Ford Expedition and \$61,000.00 for the purchase of a new general service/tow vehicle to replace the 2007 Ford F-350 that currently has over 142,000 miles. This vehicle is used to haul fire-rescue-related service equipment and to tow the Technical Rescue Trailer, and Decon Trailer.

We have received a lease quote from Enterprise to replace the Division Chief of Operations vehicle with a Ford Interceptor, for \$50,494.00, this vehicle will be outfitted with a modular command workstation and warning equipment. (an additional cost)

We have received a lease quote from Enterprise to replace the general service /tow vehicle with a Ford F-550 for \$75,522.57, which is a difference of \$14,522.57. This vehicle will be outfitted with warning equipment.

#### **DETAILED ANALYSIS:**

This budget amendment is needed to cover the rising cost of the vehicle and the up fit of equipment and the additional cost of the vehicles.

606-3000-510-7099 (Capital / Other) increase \$30,000 Fund Balance (Public Safety Internal Service Fund/Fire)
